Re: C&F Electrical Service LLC, License #19178-E1

Attention: Charles Federick Sr.

Mr. Federick,

I am writing to thank the team at C&F Electrical for a job well done. I was extremely impressed with the efficient, professional, prompt and courteous service provided Mr. Charles Frederic and his team. Mr. Federick quickly figured out the problem and solved it. He is very pleasant as well. I would and have highly recommended him and will continue to hire his company for all future electrical needs.
